

HENDERSON DRESS CODE 2022-2023

Land's End is the school's primary clothing vendor. While we prefer that families utilize this service, we recognize the importance of allowing families to have choices in clothing purchases. Families may utilize school-authorized local vendors to place the school's trademarked logo on clothing that complies with the dress code. Families are welcome to contact the school for a list of approved vendors. All students/families make choices within a range of options (styles, colors and fabrics) (no patterns).

Epiphany maintains The Falcon's Nest in Founder's Hall on Henderson which is a collection of gently used clothing at a tremendously reduced price. You might want to make The Falcon's Nest your first stop for your child's clothing needs.

As a general policy, we request modesty and require that all clothing worn to school must be in good condition (no holes, rips or frays) and should fit appropriately.
