

## Permission Slip for Transportation to Athletic Practices & Events

Dear Parents,

Your son/daughter has elected to play sports at Epiphany. Because we often travel short distances to off-site practice locations, we need your permission and your preferences for transporting him/her to the proper facilities.

Please check **all** the following methods of transportation that are acceptable for your son/daughter:

- An Epiphany upperclass student with an unrestricted driver's license. If possible, I prefer that my son/daughter ride with: \_\_\_\_\_
- School Bus – Driven by coach or other licensed staff
- School Van – Driven by coach or other suitable staff
- I will come to the school and transport my son/daughter as needed.
- An Epiphany Parent (Carpool)
